### **TRADITIONAL MEDICINES CONTAINING CHEMICAL SUBSTANCES OF DRUG**

On November 26<sup>th</sup> 2001, National Agency of Drug and Food Control (NADFC) declared 35 cases that breaking the law by adulterating herbal medicine/jamu with chemical substances of ethical drug and proclaimed to community not to use it because of its risk to public health.

By the time being, without regarding safety of consumer, adulterating traditional medicine with chemical substances of drug is still carried out. NADFC has already worn the manufacturer, withdrawn the product from the market, ordering to destroy and even suing to the law.

Based on the result of NADFC on 2002, the registered and unregistered traditional medicine containing chemical substances of ethical drug and other chemical substance are still in the market. (at enclosure of this public warning)

As penalty, NADFC had given instruction to manufacturer and all related institution to withdrawn the product from the market and destroy it.

NADFC also canceled the registration number of product containing chemical substance of drug.

The manufacture that produced herbal medicine/jamu containing chemical substance of drug and people who distribute it had been against the Act number 23 in 1992 about

Health and Act number 8 in 1999 about Consumer Protection. This people can be punished by maximum 5 year in prison or maximum fine of 2 (two) billion Rupiah,.

In regard to the above matter, it is announced to public not to use herbal medicine/jamu containing chemical substance of ethical drug at enclosure of this Public Warning. The misuse of the chemical substance of drug may cause serious risk community health. Especially when using it continuously without control.

This Public Warning is announced to protect the public safety and community health..

NATIONAL AGENCY OF DRUG AND FOOD  
CONTROL  
H E A D

The image shows a circular official seal of the National Agency of Drug and Food Control (BPOM) of the Republic of Indonesia. The seal contains the Garuda Pancasila and the text "BADAN PENGAWAS OBAT DAN MAKHULIAH" and "REPUBLIK INDONESIA". Overlaid on the seal is a handwritten signature in black ink, which appears to be "H. Sampurno".
